ENVIRONMENTAL CALENDAR

December 30, 2013

- ♦ **ENVIRONMENTAL ASSISTANCE CENTER**
800-662-9278
E-mail: deq-assist@michigan.gov

The DEQ Environmental Assistance Center (EAC) is available to provide direct access to environmental programs, answers to environmental questions, referrals to technical staff, and quick response. Questions on any items listed in the calendar can be referred to the EAC.

- ♦ **PUBLICATION SCHEDULE**

The calendar is published every two weeks, on alternate Mondays, by the Michigan Department of Environmental Quality. We welcome your comments.

- ♦ **CALENDAR LISTSERV**

Stay on top of the latest news from the DEQ.  Visit us at www.michigan.gov/deq and click on the red envelope to sign up for email updates.

Follow us on Twitter at www.twitter.com/michiganDEQ

- ♦ **INTERNET ACCESS**
www.michigan.gov/envcalendar

The calendar is available on the DEQ Web site in pdf format. Access the calendar at www.michigan.gov/envcalendar.

- ♦ **TIMETABLE FOR DECISIONS**

No decision listed in the DEQ Calendar will be made prior to seven days after the initial Calendar publication date.

- ♦ **CONTENTS**

MARATHON PETROLEUM COMPANY LP, DETROIT, WAYNE COUNTY, for the proposed Draft Consent Order and the draft Permit to Install for modifications to the Detroit Heavy Oil Upgrade Project, including increases and decreases to some emission limits, increases to some input limits, increases to some throughput and production limits, as well as some piping, valve, and pump changes. The facility is located at 1300 South Fort Street, Detroit, Michigan. Additionally, the proposed modifications will require revisions to Renewable Operating Permit (ROP) No. MI-ROP-A9831-2012. This public comment period meets the public participation requirements for a future administrative amendment to the ROP. The responsible official for the source is C.T. Case, 1300 South Fort Street, Detroit, Michigan. New Source Review and ROP public notice documents can be viewed at www.deq.state.mi.us/aps/cwerp.shtml. Written comments will be taken through January 8, 2014. A public hearing will be held on January 8, 2014 (see January 8, 2014 listing in this calendar), in the Community Room at the Delray Neighborhood House, 420 South Leigh Street, Detroit, Michigan. Prior to the hearing, an informational session will be held from 6:00 p.m. to 7:00 p.m., where the Air Quality Division staff will provide a brief introduction regarding the proposed project and be available to answer questions; the public hearing will immediately follow. Written comments should be sent to Mary Ann Dolehanty, Permit Section Supervisor, Michigan Department of Environmental Quality, Air Quality Division, P.O. Box 30260, Lansing, Michigan 48909. All statements received by January 8, 2014, will be considered by the decision-maker prior to final action. Information Contact: **Andrew Drury**, Air Quality Division, drurya@michigan.gov or 517-284-6792. Decision-maker: **G. Vinson Hellwig**, Air Quality Division Chief.

Announcements

FEBRUARY 12, 2014

DEADLINE FOR PUBLIC COMMENT REGARDING PROPOSED GENERAL PERMIT AND MINOR PROJECT CATEGORIES FOR ACTIVITIES IN WETLANDS. Pursuant to Part 303, Wetlands Protection, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended, the MDEQ's Water Resources Division is proposing a new General Permit (GP) category for Blueberry Farming and a revised Minor Project (MP) category for Pads for Farm Buildings and Farm Structures. These categories are for activities that are similar in nature, will cause only minimal adverse effects when performed separately, and will have only minimal cumulative adverse effects on the environment. Permit applications made for these types of activities may be processed in an accelerated manner without the issuance of an individual public notice or public hearing. GP and MP categories are issued for up to a five-year period. The purpose of this public notice is to provide an opportunity for public review and comment prior to issuance of the GP and MP categories. The proposed GP category can be found at www.michigan.gov/wetlands. Written comments should be submitted to the Michigan Department of Environmental Quality, Water Resources Division, P.O. Box 30459, Lansing, Michigan 48909-7958 to the attention of Amy Berry. All comments must be received by February 12, 2014. Information Contact: **Amy Berry**, Water Resources Division, 517-284-5532, berrya2@michigan.gov.

Public Hearings and Meetings

Note: Persons with disabilities needing accommodations for effective participation in any of the meetings noted in this Calendar should call or write the appropriate meeting information contact listed below at least a week in advance to request mobility, visual, hearing, or other assistance.

JANUARY 2, 2014

DEADLINE FOR PUBLIC COMMENT REGARDING WE ENERGIES PRESQUE ISLE POWER PLANT, MARQUETTE, MARQUETTE COUNTY, (SRN: B4261), for the draft significant modification to a Renewable Operating Permit (ROP) and a draft significant modification to an Acid Rain Permit for the operation of five fossil fuel-fired boilers for power generation. The draft ROP is intended to simplify and clarify the facility's applicable requirements and will not result in any air emission changes at the stationary source. The ROP and Acid Rain Permit public notice documents

can be viewed at www.deq.state.mi.us/aps. The responsible official of the stationary source for the ROP is Leslie D. Kowalski, 2701 Lake Shore Boulevard, Marquette, Michigan 49855. The designated representative of the stationary source for the Acid Rain Permit is Robert A. Greco, 231 West Milwaukee Street, Milwaukee, Wisconsin 53203. Written comments on the draft ROP or on the draft Acid Rain Permit, or a request to hold a public hearing, are to be submitted to Brian Carley, Michigan Department of Environmental Quality, Air Quality Division, Jackson District Office, 301 East Louis Glick Highway, Jackson, Michigan 49201, or via e-mail to carleyb@michigan.gov by January 2, 2014. The decision-maker for these permits is Chris Hare, Upper Peninsula District Supervisor. If requested in writing by January 2, 2014, a public hearing may be scheduled. Information Contact: **Brian Carley**, Air Quality Division carleyb@michigan.gov or 517-780-7843.

JANUARY 2, 2014

DEADLINE FOR PUBLIC COMMENT REGARDING VECTOR PIPELINE, L. P., HIGHLAND COMPRESSOR STATION, HIGHLAND, OAKLAND COUNTY, (SRN: N6838), for the draft renewal of a Renewable Operating Permit (ROP) for the operation of two natural gas fired turbines, and one natural gas fired emergency generator. The draft permit is intended to simplify and clarify the facility's applicable requirements and will not result in any air emission changes at the stationary source. The ROP public notice documents can be viewed at www.deq.state.mi.us/aps. The responsible official of the stationary source is Belinda Friis, General Counsel and Corporate Secretary, 38705 Seven Mile Road, Suite 490, Livonia, Michigan 48152. Written comments on the draft ROP, or a request to hold a public hearing, are to be submitted to Sebastian Kallumkal, Michigan Department of Environmental Quality, Air Quality Division, Southeast Michigan District Office, 27700 Donald Court, Warren, Michigan 48092, or via e-mail to kallumkals@michigan.gov by January 2, 2014. The decision-maker for the permit is Christopher Ethridge, Southeast Michigan District Supervisor. If requested in writing by January 2, 2014, a public hearing may be scheduled. Information Contact: **Sebastian Kallumkal**, Air Quality Division kallumkals@michigan.gov or 586-753-3738.

JANUARY 2, 2014

DEADLINE FOR PUBLIC COMMENT REGARDING DART CONTAINER, MASON, INGHAM COUNTY, (SRN: D8065), for the draft renewal of a Renewable Operating Permit (ROP) for the operation of manufacturing polystyrene containers from expandable polystyrene beads. The draft permit is intended to simplify and clarify the facility's applicable requirements and will not result in any air emission changes at the stationary source. The ROP public notice documents can be viewed at www.deq.state.mi.us/aps. The responsible officials of the stationary source are Eric Millikin, Plant Manager, and Gary Brewer, Plant Manager, 432 Hogsback Road, Mason, Michigan 48854. Written comments on the draft ROP, or a request to hold a public hearing, are to be submitted to Brian Culham, Michigan Department of Environmental Quality, Air Quality Division, Lansing District Office, Constitution Hall, P.O. Box 30242, 525 West Allegan, Lansing, Michigan 48909, or via e-mail to culhamb@michigan.gov by January 2, 2014. The decision-maker for the permit is Michael F. McClellan, Lansing District Supervisor. If requested in writing by January 2, 2014, a public hearing may be scheduled. Information Contact: **Brian Culham**, Air Quality Division, culhamb@michigan.gov or 517-284-6633.

JANUARY 2, 2014

DEADLINE FOR PUBLIC COMMENT REGARDING SUBMITTAL TO EPA OF WITHDRAWAL OF WAYNE COUNTY DEPARTMENT OF HEALTH, AIR QUALITY MANAGEMENT DIVISION SULFUR DIOXIDE RULES FROM THE STATE IMPLEMENTATION PLAN. The Air Quality Division will hold a public comment period seeking input on revising the State Implementation Plan to reflect the withdrawal of rules originally submitted by the Wayne County Department of Health, Air Quality Management Division in their 1969 local ordinances, Article VI, Section 6.3 as amended by the 1981 variance. The Air Quality Division has previously promulgated rules that replace the Wayne County Department of Health, Air Quality Management Division rules and held public comment on those rules and their inclusion in the State Implementation Plan. This public comment addresses only the matter of removal of the Wayne County Department of Health, Air Quality Management Division rules from the State Implementation Plan. This public comment period meets the public participation requirements for a State Implementation Plan submittal. If requested by January 2, 2014, a hearing will be held on January 6, 2014 (see January 6, 2014, listing in this calendar). Written comments and a request to hold a public hearing are to be submitted to Cari DeBruler, Michigan Department of Environmental Quality, Air Quality Division, P.O. Box 30260, Lansing, Michigan 48909-7760 or debrulerc@michigan.gov. Information Contact: **Tracey McDonald**, Air Quality Division, mcdonaldt@michigan.gov or 517-284-6756.

JANUARY 2, 2014

DEADLINE FOR PUBLIC COMMENT REGARDING CENTRAL SANITARY LANDFILL, PIERSON, MONTCALM COUNTY, (SRN: N2804), for the draft renewal of a Renewable Operating Permit (ROP) for the operation of a municipal solid waste landfill. The draft permit is intended to simplify and clarify the facility's applicable requirements and will not result in any air emission changes at the stationary source. The ROP public notice documents can be viewed at www.deq.state.mi.us/aps. The responsible official of the stationary source is Todd Harland, Republic Services, 21545 West Cannonsville Road, Pierson, Michigan 49339. Written comments on the draft ROP, or a request to hold a public hearing, are to be submitted to Dave Morgan, Michigan Department of Environmental Quality, Air Quality Division, Grand Rapids District Office, 350 Ottawa Avenue NW, Unit 10, Grand Rapids, Michigan 49503, or via e-mail to morgand2@michigan.gov by January 2, 2014. The decision-maker for the permit is Heidi Hollenbach, Grand Rapids District Supervisor. If requested in writing by January 2, 2014 a public hearing may be scheduled. Information Contact: **Dave Morgan**, Air Quality Division morgand2@michigan.gov or 616-356-0009.

**JANUARY 6, 2014
1:00 p.m.**

TENTATIVELY SCHEDULED PUBLIC HEARING REGARDING SUBMITTAL TO EPA OF WITHDRAWAL OF WAYNE COUNTY DEPARTMENT OF HEALTH, AIR QUALITY MANAGEMENT DIVISION SULFUR DIOXIDE RULES FROM THE STATE IMPLEMENTATION PLAN. The Air Quality Division will, if requested, hold a public hearing seeking input on revising the State Implementation Plan to reflect the withdrawal of rules originally submitted by the Wayne County Department of Health, Air Quality Management Division in their 1969 local ordinances, Article VI, Section 6.3 as amended by the 1981 variance. This hearing is an opportunity for the public to express support for or concerns about the removal of these rules from the State Implementation Plan. This public hearing period meets the public participation requirements for a State Implementation Plan submittal. If requested by January 2, 2014, a public hearing will be held in the Claud Erickson Conference Room, Constitution Hall, 2nd Floor South Tower, 525 West Allegan Street, Lansing, Michigan on January 6, 2014, from 1:00 p.m. to 2:30 p.m. Those interested may contact the Air Quality Division at 517-284-6740 after January 2, 2014, to determine if a hearing was requested and will be held. Information Contact: **Tracey McDonald**, Air Quality Division, mcdonaldt@michigan.gov or 517-284-6756.

PUBLIC HEARING ON PERMIT APPLICATION SUBMITTED BY JEFFREY WRIGHT, GENESEE COUNTY DRAIN COMMISSIONER, FLINT, MICHIGAN. The Water Resources Division will hold a public hearing for Permit Application Number 13-25-0060-P, submitted by Mr. Jeffrey Wright, Genesee County Drain Commissioner, 4610 Beecher Road, Flint, Michigan 48532. The applicant proposes to construct an 80-mile long raw water pipeline for the Lake Huron Water Initiative project. The purpose of the project is to supply drinking water from Lake Huron to the City of Flint Water Treatment Plant for the Karegnondi Water Authority. The majority of the pipeline will be located under or parallel to existing roads or within road right of ways. Beginning at Lake Huron and heading westward, the principle roads along the pipeline route are Fisher, Clear Lake, Kings Mill, Norway Lake, Klam, Stanley, Coldwater, Elba, and Millville Roads. The project is located in Lapeer, St. Clair, Sanilac, and Genesee Counties of Michigan. The hearing will be held in Lapeer County at Mayfield Township Hall, 1900 North Saginaw Street, Lapeer, Michigan 48446. Information Contact: **Christopher Clampitt**, Water Resources Division, 517-243-6956, clampittc@michigan.gov.

DRAFT 2014 CLEAN WATER ACT SECTIONS 303(d), 305(b), AND 314 INTEGRATED REPORT. The Michigan Department of Environmental Quality (MDEQ), Water Resources Division (WRD), is accepting written comments between December 2, 2013, and January 10, 2014, on the draft Water Quality and Pollution Control in Michigan, 2014 Sections 303(d), 305(b), and 314 Integrated Report. Every two years, the MDEQ, WRD, prepares and submits an Integrated Report to the United States Environmental Protection Agency to satisfy the listing requirements of Section 303(d) and the reporting requirements of Sections 305(b) and 314 of the federal Clean Water Act. The Integrated Report describes the status of water quality in Michigan and includes a list of water bodies that are not attaining Michigan Water Quality Standards and require the establishment of pollutant Total Maximum Daily Loads. The draft 2014 Integrated Report is available at www.michigan.gov/deqwater or by contacting Denise Page at 517-284-5523 or paged@michigan.gov. Written comments may be submitted by January 10, 2014, to **Kevin Goodwin**, MDEQ, WRD, 525 West Allegan Street, P.O. Box 30458, Lansing, Michigan 48909-7958, or e-mail at goodwin@michigan.gov. PUBLIC HEARING ON PERMIT APPLICATION SUBMITTED BY POKAGON HEIGHTS PROPERTY OWNERS ASSOCIATION, ATTENTION MS. PATRICIA BAMBRICK. The Water Resources Division will hold a public hearing at 7:00 p.m., with a question and answer session beginning at 6:30 p.m., at the Watervliet Charter Township Hall, 4959 M-140, Watervliet, Michigan 49098. The hearing will be for the Pokagon Heights Property Owners Association, Attention Ms. Patricia Bambrick, P.O. Box 350, Watervliet, Michigan 49098. The applicant proposes to construct a marina on Paw Paw Lake off Shady Drive. A 6-foot wide by 200-foot long main pier will be constructed adjacent to the beach area. A 6-foot wide by 200-foot long pier is proposed at the northwest end of the main pier, and a 6-foot wide by 125-foot long pier at the southwest end, with a total of eight 3-foot wide by 30-foot long and twelve 3-foot wide by 24-foot long finger piers attached to these two piers for total of 41 slips. A 6-foot wide by 175-foot long pier is proposed at the northeast end of the main pier and a 6-foot wide by 200 foot long at the southeast end, with a total of six 3-foot wide by 30-foot long and seven 3-foot wide by 24-foot long finger piers to these two piers for a total of 43 slips. No dredging is proposed with this project. The project is located in T3S, R17W, Section 14, Watervliet Township, Berrien County, Michigan. Information Contact: **Larry Poynter**, Water Resources Division, 269-567-3566, poynterl@michigan.gov.

JANUARY 29, 2014

DEADLINE FOR PUBLIC COMMENT REGARDING BREITBURN OPERATING LP ELMER FUDD CENTRAL PRODUCTION FACILITY, COMINS, OSCODA COUNTY, (SRN: N7463), for the draft renewal of a Renewable Operating Permit (ROP) for the operation of a central production facility for natural gas. The draft permit is intended to simplify and clarify the facility's applicable requirements and will not result in any air emission changes at the stationary source. The ROP public notice documents can be viewed at www.deq.state.mi.us/aps. The responsible official of the stationary source is Brian Dorr, Northern Division Manager, Breitburn Operating LP, P.O. Box 1256, Gaylord, Michigan 49735. Written comments on the draft ROP, or a request to hold a public hearing, are to be submitted to William Rogers, Michigan Department of Environmental Quality, Air Quality Division, Cadillac District, Gaylord Field Office, 2100 West M-32, Gaylord, Michigan 49735, or via e-mail to rogersw@michigan.gov by January 29, 2014. The decision-maker for the permit is Janis Denman, Cadillac District Supervisor. If requested in writing by January 29, 2014, a public hearing may be scheduled. Information Contact: **William Rogers**, Air Quality Division rogersw@michigan.gov or 989-705-3406.

PART II: CONFERENCES, WORKSHOPS AND TRAINING PROGRAMS

Conferences, Workshops, and Training

ANNOUNCEMENT – The DEQ's Office of Environmental Assistance (OEA) now accepts Visa, MasterCard, and Discover for all DEQ/OEA workshop payments!

JANUARY 6-8, 2014

NO-SPILLS CONFERENCE: "COMMON SENSE FOR UNCOMMON WATERS," GREAT WOLF LODGE, TRAVERSE CITY, MICHIGAN. Save the date for this conference and join us in our effort to protect the Great Lakes in reducing the risk of hazardous material spills to the Great Lakes and tributaries while learning new technologies. Jon Allan Director of DEQ's Office of the Great Lakes is the keynote speaker and will be speaking about "Michigan's Water Strategy." The following are examples of some of the interesting presentations: USGS Invasive Species Projects and Controls; Upper Peninsula Mining in the 21st Century; Hydraulic Fracturing and Michigan Water Usage; Kalamazoo River Update; Velsicol Chemical Cleanup; Understanding Response and Recovery Methods; Great Lakes Environmental Response Management Application Tool; EPA Region 5 Updates, and more. Conference registration information and the conference program can be viewed at <http://no-spills.org>. For additional information, please contact **Linda Hensel**, 989- 621-5242.

JANUARY 7-9, 2014

63RD MICHIGAN ONSITE WASTEWATER CONFERENCE: "WASTEWATER – YESTERDAY'S BUSINESS, TODAY'S RESOURCE," KELLOGG HOTEL AND CONFERENCE CENTER, EAST LANSING, MICHIGAN. The Michigan On-Site Wastewater Conference is an annual three-day educational conference for the industry including septic tank service providers (pumpers), local public health, engineers, consultants, installation contractors, and others interested in onsite wastewater management. Organized as a joint venture by the Michigan Onsite Wastewater Recycling Association, the DEQ, the Michigan Environmental Health Association, the Michigan Septic Tank Association, the Michigan Water Environment Association and Michigan State University, it is the intent of the annual conference to educate people involved in the on-site wastewater field. For more information go to www.meha.net, www.mowra.org, or www.msta.biz or call 517-284-6534.

2014

MONTHLY CONSTRUCTION STORM WATER OPERATOR/SOIL EROSION INSPECTOR

TRAINING, VARIOUS LOCATIONS, MICHIGAN. The DEQ Water Resources Division will be hosting training and exams for Certification as a Construction Storm Water Operator. These half-day sessions will include a training video outlining inspector/certified operator requirements, best practices for soil erosion and sedimentation control, and common compliance problems found on construction sites. Not all information on the test is included in the training, so participants are expected to have read and understand the information presented in the "[Certified Storm Water Operator and Soil Erosion and Sedimentation Control Inspector/Comprehensive Manual](#)" chapters 1-5. The training will be followed by a fifty question, multiple choice exam. A score of 70% is required to pass and become certified. Complete Training and Exam schedules can be found on the Web at www.michigan.gov/soilerosion and by clicking on the first link under the training header. **Cost: \$95.**

Information Contact: **Sarah Ehinger**, WRD, 269-567-3515, or ehingers1@michigan.gov. To register, determine the training date and location you would like to attend and contact the [district staff person](#) for that location.

JANUARY 7, 2014
10:00 a.m. – 11:00
a.m.

HAZARDOUS WASTE CHARACTERIZATION AND GENERATOR STATUS WEBINAR. This is the 1st Webinar in the Introduction to Hazardous Regulations Webinar Series. During this Webinar you will learn how to determine if a waste is considered a "hazardous waste," liquid industrial waste, or non-hazardous solid waste; and how to use that determination to calculate a site's generator status. These concepts are vital to understanding how to properly manage and dispose of waste. Updated Webinar information is available on the Web at www.michigan.gov/degworkshops, click on "DEQ Webinars." Information Contact: **Christine Grossman**, Office of Environmental Assistance, 517-284-6860, or e-mail at grossmanc@michigan.gov. Registration Information: **Environmental Assistance Center**, 800-662-9278, or e-mail at deg-assist@michigan.gov.

JANUARY 14, 2014
10:00 a.m. – 11:00
a.m.

HAZARDOUS WASTE GENERATOR ACCUMULATION, STORAGE, AND LABELING REQUIREMENTS WEBINAR. This is the 2nd Webinar in the Introduction to Hazardous Regulations Webinar Series. This Webinar will provide an overview of the requirements associated with onsite hazardous waste management, including:- Accumulation limits and timelines- Storage requirements for hazardous waste in designated storage areas and satellite containers- Container labeling requirements- Closed container requirements- 40 CFR 265, Subpart CC requirements. Updated Webinar information is available on the Web at www.michigan.gov/degworkshops, click on "DEQ Webinars." Information Contact: **Christine Grossman**, Office of Environmental Assistance, 517-284-6860, or e-mail at grossmanc@michigan.gov. Registration Information: **Environmental Assistance Center**, 800-662-9278, or e-mail at deg-assist@michigan.gov.

AIR PERMIT-TO-INSTALL APPLICATION TRAINING, CONSTITUTION HALL, LANSING, MICHIGAN. Attend this workshop to learn more about how to complete the air Permit-to-Install Application. The workshop includes a general question & answer session, and for those who are "project ready," the opportunity to meet with a permit engineer for individual assistance on your specific application. Registration fee is \$45 and includes workshop materials. Updated workshop information and registration is available on the Web at www.michigan.gov/degworkshops, click on

JANUARY 16, 2014
10:00 a.m. – 11:30
a.m.

"DEQ Workshops". Information Contact: **James Ostrowski**, Office of Environmental Assistance, 517-241-8057, or e-mail at ostrowskij2@michigan.gov. Registration Information: **Environmental Assistance Center**, 800-662-9278, or e-mail at deg-assist@michigan.gov.

MAERS REVIEW WEBINAR. The Webinar is geared for those that are familiar with Michigan Air Emissions Reporting System (MAERS) but would like a quick review to get them ready for the next submittal. The Webinar will provide a review of the MAERS registration process, adding users to an account, navigating the forms, and submitting data. Updated Webinar information is available on the Web at www.michigan.gov/degworkshops, click on "DEQ Webinars." Information Contact: **James Ostrowski**, Office of Environmental Assistance, 517-241-8057, or e-mail at ostrowskij2@michigan.gov. Registration Information: **Environmental Assistance Center**, 800-662-9278, or e-mail at deg-assist@michigan.gov.

JANUARY 21, 2014
10:00 a.m. – 11:00
a.m.

HAZARDOUS WASTE GENERATOR RECORDKEEPING & INSPECTIONS WEBINAR. This is the 3rd Webinar in the Introduction to Hazardous Regulations Webinar Series. This Webinar will provide an overview of the records that a hazardous waste generator is required to maintain, including waste characterizations, monthly waste inventory, uniform manifests, and land disposal restriction notifications. The Webinar will also provide an overview of what to expect during a DEQ hazardous waste inspection. Additionally, the presenter will discuss recent changes to the hazardous waste regulations. Updated Webinar information is available on the Web at www.michigan.gov/degworkshops, click on "DEQ Webinars." Information Contact: **Christine Grossman**, Office of Environmental Assistance, 517-284-6860, or e-mail at grossmanc@michigan.gov. Registration Information: **Environmental Assistance Center**, 800-662-9278, or e-mail at deg-assist@michigan.gov.

JANUARY /
FEBRUARY 2014
8:30 a.m. – 12:00
p.m.

SARA TITLE III TIER TWO WORKSHOPS, VARIOUS LOCATIONS, MICHIGAN. SARA Title III, also known as the Emergency Planning and Community Right-to-Know Act, requires facilities to report information to state and local officials that can be vital to their communities' safety. The 2014 SARA Title III Tier Two Workshops will cover the Tier Two hazardous chemical inventory report (due by March 1) and the emergency planning notification requirements in SARA Title III. Find out how to manage and submit these reports online. All attendees will receive the *Michigan Facilities' Guide to SARA Title III, Emergency Planning, and Release Reporting*. This workshop is recommended for owners, operators, and environmental and safety personnel of facilities that have hazardous materials on site. Environmental consultants, LEPCs, and fire department personnel can also benefit from this workshop and are encouraged to attend. Continuing education credits are available. Updated event information is available on the Web at www.michigan.gov/degworkshops, click on "DEQ Workshops." Registration Information Contact: **Environmental Assistance Center**, 800-662-9278, or e-mail at deg-assist@michigan.gov. Information Contact: **Susan Parker**, Office of Environmental Assistance, 517-284-6871, or e-mail at parkers5@michigan.gov.

<u>Date</u>	<u>Location</u>
1/23/14*	University Center at Gaylord
1/28/14*	Fetzer Center at WMU, Kalamazoo
1/30/14	Double Tree Hilton, Bay City
2/4/14	WMU Downtown Campus, Grand Rapids
2/6/14*	MSU Management Education Center, Troy
2/11/14*	Lansing Community College - West Campus, Lansing

*The **MAERS Workshops** will also take place on these dates and locations in the afternoon. You can register for either or both workshops at www.michigan.gov/degworkshops.

JANUARY /
FEBRUARY, 2014
1:00 p.m. – 4:30 p.m.

2014 INTRODUCTION TO MAERS (MICHIGAN AIR EMISSIONS REPORTING SYSTEMS) WORKSHOP, VARIOUS LOCATIONS, MICHIGAN. The Introduction to MAERS workshop is offered annually to help companies submit their MAERS reports. This workshop has been designed specifically for businesses subject to MAERS reporting. Workshop participants will be taken step-by-step through the system in an interactive, hands-on format. Introduction to MAERS Workshop participants will learn how to register as a user in MAERS, how to navigate through the Web-based forms and utilities, and how to complete and submit reports using MAERS. MAERS reporting begins January 2014. A limited number of seats are available so register early. Workshop attendees will receive the "MAERS Workbook" and other guidance materials. Updated event information is available

on the Web at www.michigan.gov/degworkshops, click on "DEQ Workshops." *Note: This workshop is introductory and designed for businesses subject to MAERS reporting. Consultants and users already familiar with the MAERS system may wish to view the on-line tutorials and other on-line tools at www.michigan.gov/degworkshops (click on "Online Learning" then "MAERS").* Information Contact: **Jim Ostrowski**, Office of Environmental Assistance, 517-284-6870, or e-mail at ostrowskij2@michigan.gov. Registration Information: **Environmental Assistance Center**, 800-662-9278, or e-mail at deg-assist@michigan.gov.

<u>Date</u>	<u>Location</u>
1/23/14	University Center at Gaylord
1/28/14	Fetzer Center at WMU, Kalamazoo
2/6/14	MSU Management Education Center, Troy
2/11/14	Lansing Community College - West Campus, Lansing

*NOTE: The **SARA Title III Tier Two Workshops** will also take place on these dates and locations in the morning. You can register for either or both workshops at www.michigan.gov/degworkshops.*

JANUARY 28-31, 2014

MICHIGAN TOWNSHIP ASSOCIATION'S ANNUAL EDUCATIONAL CONFERENCE & EXPO, GRAND TRAVERSE RESORT, TRAVERSE CITY, MICHIGAN. Join more than 1,000 local leaders in the largest gathering of Michigan municipal officials. Whether you're just starting out or you've been an elected official for many years, this jam-packed, value-added experience provides a real-world guide to governing your township, while showing you how to successfully carry out your statutory duties and fulfill your role on the board amid changing times. You'll also learn about the most recent legislative and administrative changes that impact your residents as well as court cases and judicial opinions that could make a difference in how you conduct township business. The DEQ will have a speaker at this event. For more information, go to <http://www.michigantownships.org/conference.asp>.

FEBRUARY 6, 2014

UPPER PENINSULA SOLID WASTE FORUM, RAMADA INN, MARQUETTE, MICHIGAN. The Michigan Department of Environmental Quality (DEQ) is hosting an Upper Peninsula Solid Waste Forum (Forum) in Marquette, Michigan. The purpose of the Forum is to share information about the latest issues involving solid waste management and recycling, and especially targeting issues of interest in the Upper Peninsula, with the goal of establishing best management practices, waste reuse and economic development. The DEQ is interested in attracting a wide spectrum of stakeholders, including both commercial and industrial landfill operators, composters, recyclers, and end users of waste byproducts. The registration fee is \$20 and includes lunch. A "Meet and Greet" will also take place on February 5th. Updated event information is available on the Web at www.michigan.gov/degworkshops, click on "DEQ Workshops." Information Contact: **Carolyn St. Cyr**, Office of Waste Management and Radiological Protection, 906-250-1448, or e-mail at StCyrC1@michigan.gov. Registration Information: **Environmental Assistance Center**, 800-662-9278, or e-mail at deg-assist@michigan.gov.

MARCH 4-5, 2014

DEQ COMPREHENSIVE SOIL EROSION TRAINING AND EXAM, MCCAMLY PLAZA, BATTLE CREEK, MICHIGAN. The DEQ Water Resources Division (WRD) will be hosting a training and exam for Comprehensive Soil Erosion and Sedimentation Control for individuals who have valid Construction Storm Water Operator Certificates and work for Part 91 Agencies where the individual may have soil erosion and sedimentation control plan review and design responsibilities. The training will cover the required components of a soil erosion and sedimentation control plan, the soil erosion and sedimentation control law, an overview of common best management practices for soil erosion and sedimentation control, and an exercise in plan review in design. Not all information in the exam is covered in the training, so participants are expected to have read and understand the information presented in the "[Certified Storm Water Operator and Soil Erosion and Sedimentation Control Inspector/Comprehensive Manual](#)." The exam consists of a forty question, multiple choice exam. A score of 70% is required to pass and receive a certificate of training. The Comprehensive Training and Exam schedules can be found on the Web at www.michigan.gov/soilerosion and by clicking on the first link under the training header. **Cost: \$225.** To register, contact **Sarah Ehinger** at 269-567-3515, or ehingers1@michigan.gov and be prepared to provide your Construction Storm Water Operator certification number.

**MARCH 6, 2014
3:00 p.m. – 6:00 p.m.**

MEECS TRAINING: MICHIGAN SCIENCE TEACHERS ASSOCIATION (MSTA) PRE-CONFERENCE WORKSHOPS, LANSING CENTER, LANSING. The Michigan Department of Environmental Quality is offering three concurrent workshops prior to the MSTA annual conference.

The workshops are intended for teachers and non-formal educators and will focus on climate change, energy resources, and water quality. Workshop information is available on the Web at www.michigan.gov/deqworkshops, click on "DEQ Workshops." MSTA conference registration is not required to attend these workshops. Attendees will receive all unit materials and instruction for only \$35! Information Contact: **Thomas Occhipinti**, Office of Environmental Assistance, 517-284-6867, or e-mail at occhipinti@michigan.gov. Registration Information: **Environmental Assistance Center**, 800-662-9278, or e-mail at deq-assist@michigan.gov.

MARCH 19-20, 2014

DEQ COMPREHENSIVE SOIL EROSION TRAINING AND EXAM, ALPINE CENTER, GAYLORD, MICHIGAN. The DEQ Water Resources Division (WRD) will be hosting a training and exam for Comprehensive Soil Erosion and Sedimentation Control for individuals who have valid Construction Storm Water Operator Certificates and work for Part 91 Agencies where the individual may have soil erosion and sedimentation control plan review and design responsibilities. The training will cover the required components of a soil erosion and sedimentation control plan, the soil erosion and sedimentation control law, an overview of common best management practices for soil erosion and sedimentation control, and an exercise in plan review in design. Not all information in the exam is covered in the training, so participants are expected to have read and understand the information presented in the "[Certified Storm Water Operator and Soil Erosion and Sedimentation Control Inspector/Comprehensive Manual](#)." The exam consists of a forty question, multiple choice exam. A score of 70% is required to pass and receive a certificate of training. The Comprehensive Training and Exam schedules can be found on the Web at www.michigan.gov/soilerosion and by clicking on the first link under the training header. **Cost: \$225.** To register, contact **Audrie Kirk**, WRD at 906-228-4806, or kirka3@michigan.gov and be prepared to provide your Construction Storm Water Operator certification number.

MAY 1-3, 2014

MICHIGAN INLAND LAKES CONVENTION: PARTNERING TO PROTECT MICHIGAN'S INLAND LAKES, BOYNE MOUNTAIN, MICHIGAN. The inaugural Michigan Inland Lakes Convention presents an opportunity for lake enthusiasts, lake professionals, researchers, local government officials and anyone else interested in protecting our water resources to participate in three days of educational presentations and discussion, in-depth workshops, tours, exhibits and much more focused on Michigan's 11,000 inland lakes. Convention sessions will cover a wide variety of topics, including aquatic invasive species management and control, natural shoreline management, Cooperative Lakes Monitoring Program training, the latest in lake research, riparian rights and water law, and much more! The 2014 Michigan Inland Lakes Convention is brought to you by the Michigan Inland Lakes Partnership, launched in 2008 to promote collaboration to advance stewardship of Michigan's inland lakes. The Convention is a cooperative effort of all of the Partner organizations, including the DEQ. Additional information is available on the Web at <http://michiganlakes.msue.msu.edu/convention>.

MAY 8-9, 2014

MICHIGAN GREEN INFRASTRUCTURE CONFERENCE: PROTECTING WATER RESOURCES AND PROMOTING ECONOMIC DEVELOPMENT, THE LANSING CENTER, LANSING, MICHIGAN. Save the date - a major Green Infrastructure Conference is coming to Lansing on May 8-9, 2014. This conference is a natural outgrowth of the Governor's 2012 Special Message on Energy and the Environment. The Governor identified green infrastructure (GI) as a way to improve water quality in Michigan and create recreational space at the same time. The conference expands on this theme to highlight a broad range of benefits and opportunities provided by green infrastructure planning and preservation at local and regional scales. "How-to" presentations and case studies will be highlighted. Many experts will be available at this two-day conference to discuss what's being done to advance GI at the federal and state levels. The regional and local levels will focus on codes and ordinances, funding, cost/benefits, and partnerships. The site-specific level will feature presentations on preparation, design, placement, sizing, and maintenance of structural and vegetative controls. This conference is targeted towards local government decision makers and engineers, planners, consultants and landscape architects, developers and builders, drain commissioners, road agencies, business and industry, conservation organizations, foundations and environmental non-profits groups, and anyone with duties related to land use and stormwater management. Updated workshop information is available on the Web at www.michigan.gov/deqworkshops, click on "DEQ Workshops". Information Contact: **David Drullinger**, Office of Environmental Assistance, 517-284-6855, or e-mail at drullingerd@michigan.gov. Registration Information: **Environmental Assistance Center**, 800-662-9278, or e-mail at deq-assist@michigan.gov.
